

## Additional Accommodation and Transfers

At Dragoman we believe you should make the most of the places you visit, so if you would like to see more of your joining or finishing point cities, why not book additional accommodation to extend your stay.

Dragoman can take away the hassle of time zones and language barriers by making the booking for you. This accommodation is only available at the joining or finishing city of your trip, immediately before or after the trip you are travelling on.

While Dragoman is happy to assist with booking your pre and post trip accommodation, it is important that you

understand you may be able to book your own room at a cheaper rate directly through the hotel or on the internet. Our additional accommodation prices are based on the hotel's rate plus an administration fee. Please note our rates do not reflect last minute walkin rates or internet specials.

We can also book arrival airport transfers for you as long as we have your flight arrival details. These are normally payable in cash upon arrival, however we do have pre paid transfers in a few destinations.

Please contact our reservations team for details of the accommodation and transfers that we can offer.
